CHARLES A. ELDON  
1985 PRESIDENT

February 8, 1985

PLEASE REPLY TO:  
Above

Mr. R. E. Butler, Secretary-General  
International Telecommunication Union  
Place des Nations  
1211 Geneva 20/Switzerland

615

Dear Mr. Butler:

It is my great pleasure to advise you that Ryszard G. Struzak has been elected a Fellow by the Board of Directors of The Institute of Electrical and Electronics Engineers. This honor is reserved to a very limited number of individuals each year who have shown evidence of outstanding and extraordinary qualification and achievement in the field of electrical, electronics or computer engineering. Dr. Struzak has achieved this distinction "for contributions to electromagnetic compatibility instrumentation and to frequency management."

The newly elected Fellows will be recognized and honored at an IEEE Awards Reception scheduled in Philadelphia, Pennsylvania on Sunday, June 2, 1985, in conjunction with the IEEE Board of Directors meeting. They will also be awarded Fellow certificates at special ceremonies arranged by their respective local Sections of IEEE or at one of the major IEEE meetings in their areas of technical interest.

I thought you would like to know what IEEE is doing for its newly elected Fellows. Perhaps you may wish to make some sort of special recognition of his election within your own organization.

Sincerely yours,

*Charles A. Eldon*
